

# ICDE-13 Travel Scholarships

The ICDE-13 Travel Scholarships aim to assist students to attend ICDE-13 being held in Brisbane Australia from 8-11 April 2013

## What does the scholarship provide?

- AUD600 subsidy to attend [ICDE \[8-11 April 2013\]](#)

## Who is eligible to apply?

- Full-time undergraduate or graduate students
- Applicants do NOT need to have an accepted paper to be eligible

## Selection Criteria

Successful awardees will be selected based on demonstrated research experience and interest in data engineering areas relevant to ICDE; and a clear statement detailing the benefits of attending the conference.

## What is the selection process?

**18 January 2013:** Applications due

**25 January 2013:** ICDE 2013 Travel Award Committee reviews applications

**1 February 2013:** Successful applicants notified

## How to apply (all material in English)

By **18 January 2013** please upload your application as a single PDF file to

<https://cmt.research.microsoft.com/STA2013/>

1. Your CV (1-2 pages)
2. In 100 words or less, write about "why I am interested in research related to data engineering and how I would benefit from attending the ICDE 2013 conference."
3. Upload your application as a single PDF file to <https://cmt.research.microsoft.com/STA2013/>
4. [Optional] A recommendation letter from a faculty member. Letters can be emailed to [travel.award@icde2013.org](mailto:travel.award@icde2013.org), and must clearly indicate your name and application

**Queries?** Email [travel.award@icde2013.org](mailto:travel.award@icde2013.org)
