What is the Technical Committee on Data Engineering? The Technical Committee on Data Engineering

(TCDE) of the IEEE Computer Society is concerned with the role of data in the design, development, management and utilization of information systems. The TCDE sponsors the International Conference on Data Engineering (ICDE). It publishes a quarterly newsletter, the Data Engineering Bulletin. There are approximately 1500 members of the TCDE.

How to join the Technical Committee? If you are a member of the IEEE Computer Society, you may join the TCDE and receive copies of the Data Engineering Bulletin without cost. To become a member follow the membership form link from this page: tab.computer.org/tcde

IEEE Computer Society

Member benefits and services:

www.computer.org/portal/web/membership/join

Stay ahead of the technology curve with easy access to the most up-to-date and advanced information in the computing world. Advance your career with access to top e-learning courses, online books and leading publications in your area of expertise. Network with the world's foremost technology professionals. Lead the community with volunteering and mentoring opportunities that enable you to both gain exposure and contribute to the field as an author and reviewer.

Sophisticated and sporty, haute and hot, Brisbane packs a lot in to a short stay. From riverside dining and farmers markets, to free laughs and a world-class line-up of events, Brisbane has you covered.

Bites by the Water

Fresh breezes and sun-kissed water make very pleasant companions at some of the city's best riverside restaurants. With interiors by Brisbane's internationally regarded Anna Spiro, **Mr & Mrs G Riverbar** on Eagle Street Pier offers stunning views on the inside and out. It's the latest place to go for cocktails, tapas and panoramic views of the Brisbane River and Story Bridge. Across the river at South Bank, the newly opened **River Quay** precinct includes hot new contenders **Stokehouse**, **Popolo**, **The Jetty** and **Cove Bar**.

more to explore

GREETERS

Find out what makes Brisbane tick on a daily **Brisbane Greeters** walking tour led by passionate and in-the-know locals. Leaving daily at 10am from the Visitor Information Centre, Queen Street Mall.

FARMERS MARKETS

Jan Power's Farmers Market is a colourful, bustling, open air market selling fresh farm produce, flowers, breads, meat, fish, poultry, plants and organics. Every Wednesday in Redacliff Place, The City.

LIVE MUSIC

The live music scene in Brisbane is well and truly aLIVE! Check out **The Tivoli**, **Black Bear Lodge** and **Ric's Bar** in Fortitude Valley or **The Hi-Fi** in West End for live performances.

FUN FOR FREE

For free tunes and laughs, the **Brisbane Powerhouse** is your destination. Every Saturday and Sunday be entertained by comedians and musicians at Saturday Sessions and Livewired.
